§9.5–308.

(a) The Department shall prepare and, as needed, update an informational pamphlet for parents of children in family child care.

(b) The pamphlet shall contain:

- (1) An outline of family child care regulations;
- (2) A description of parental rights and responsibilities;
- (3) A description of complaint procedures; and
- (4) The address and telephone number of the local department.

(c) The Department shall make the pamphlet available to child care providers for distribution to parents.
